**Building security and safety** There have been a couple of incidents lately where people tripped on the front stairs. The yellow strips are to prevent slipping particularly when going down but as they are intended to, they do 'grip', so please be careful and use the handrail if necessary. Also ramp end door has been found to be unlocked a few times - please ensure that all the doors are locked when you leave please.

**Bowls Kapiti Coast Centre Events** - several events have been completed since the last newsletter and we had a number of members entered in each. Congratulates to all players who entered the events - these events are a great opportunity to mix with bowlers from other clubs and enjoy the competition.
