VC Cup - Keith Elliot Cup Thank you to the great number of club members who have worked tirelessly in the planning, preparation & running for the VC Trophy that was held at the club this weekend. To Reg and his team, the kitchen & catering team, bar team, greens team, building and men's cleaning teams - such a huge amount of work from a group of members to ensure that the VC matches, meals and drinks went smoothly. Not only did Reg run the event - he played with his usual skill and concentration helping bring their team into the runner-up position. Winner of the event was a team from Johnsonville.

Reg Goston & Peter Elliot with the winning team: Logan Amer(lead), Dick Williams, Adrian Cronin, Brian Cleaver (skip).

Kapiti Ladies' Galas

We have 16 registered teams for our galas. However throughout the season there will be teams who are one player short. If you are not in a gala team but feel you could fill in for a gala sometimes please send your name through to Lyndsay Osborne lynarn.osborne@xtra.co.nz.

Waikanae Ladies' Galas

Waikanae play their galas on the third Thursday in the month. This season they are going to have 2x4x2 galas. This is a change from the norm and we do hope some teams from our club will register for these galas. Waikanae feel they do not get the support from other clubs and as several Waikanae teams are playing in our galas they ask that more of our players enter their galas. At the moment only Lyndsay & Jane, Noeleen and Timeri are registered.

GREENS & GROUNDS

Every Monday morning between 8.15am and 10am a works team meet at the club. Mostly we do greens maintenance; mow lawns, spray etc and generally tidy the greens. When we have time we are known to do some gardening but this is rare as time is short.

We would like some volunteers to help with the garden maintenance. The comradery aspect is great while we work and we finish at 10am with a social cup of coffee. Just come down when you can, male or female of course, and join in a very important part of keeping our club environment to a high standard. We have the tools but we need the man/womanpower. Give me a call if you wish to know more.
